					TRADE • SPECIFIED

Rose size and thickness match the Filo Lever Square, so a privacy door completes end to end in one finish. No fire rating is claimed for this product. The Filo Lever Square carries an FD30 / FD60 assessment; this turn does not, and the two must not be assumed interchangeable on a fire doorset.

CAST STANDARD TOLERANCE ±0.2MM SERIES 02 / HARDWARE PRIVACY SET QC PASSED • CL-QC-001
